# Business and nature for good

**As the only international NGO focused exclusively on enabling private sector action for nature, Tandem Global has convened professionals working at the intersection of business and nature since 1990.**

At the Tandem Global 2026 Conference, you'll learn innovative ways to advance nature on corporate lands, network and make new contacts, and celebrate our successes at our lively Tandem Global Awards presentations.

With 700 WHC-certified programs in 28 countries around the world, our collective reach can make a difference in our environmental and economical futures because, not only is nature our business, nature is everyone's business.
